Dear Parents

I hope everyone is healthy and keeping safe in these uncertain times.

I also hope that the children are enjoying the work being set for them in their Google Classroom. I can see from our analysis of the usage last week that the majority of families are logging in daily to access work which is fantastic. I would like to extend my thanks to all parents and children that have adapted to working in this way.

If you are having any problems with access including logging in or not having a suitable device, please let me know. It is important that we remove these barriers so your child can make the most of their learning while at home.

Thank you to those of you who have sent in pictures of your child working at home, it feels like a long time since we've all seen each other so a few smiling faces of Horsmonden children enjoying their work is much appreciated. Some of these pictures may feature in the class pages of the school website as I have been working hard to update it with help from Miss Foord and the Trust Web Developers.

I wish you all a good day and lots of fun learning.

Kind regards

Hayley Sharp
